

ROTOR CLIP PURCHASE ORDER GENERAL TERMS AND CONDITIONS

1. **ORDERS AND ACCEPTANCE:** Any order placed or purchase order issued by Buyer (an "Order") for products and/or services described therein (collectively, the "Products") is subject to this Agreement, together with any additional or different terms mutually agreed to in writing by Buyer. Acceptance of an Order by Seller will occur upon the happening of any of the following: (i) receipt by Buyer from Seller of written acceptance of an Order or written notice that Seller will provide the Products; (ii) provision by Seller to Buyer of any Products; and (iii) any other conduct of Seller which recognizes the existence of a contract pertaining to the Products. This Agreement supersedes all prior written or oral statements between Buyer and Seller and constitutes the entire and only agreement between them relating to the Products, and any prior course of dealing, usage of trade, or verbal agreement not reduced to a writing signed by Buyer shall not be binding on Buyer.

2. **PRICING:** Seller warrants that the prices charged Buyer, as indicated on the schedule of this order, are no higher than prices charged on orders placed by others for similar quantities on similar conditions during the sixty (60) day period prior to the execution hereof. In the event Seller breaches this warranty, the prices of the Articles shall be reduced accordingly.

If the price is omitted on an Order, Seller's price shall be the lowest current net price quoted by Seller to any other customer for the same or commercially similar goods, but not higher than the price last quoted by Seller to Buyer.

3. **SURCHARGES:** Unless prior acceptance and written authorization by Buyer is given at the time of purchase order, no additional surcharge lines on invoices will be paid.

4. **PACKAGING AND SHIPPING:** The Articles shall be packed and shipped by Seller in accordance with Buyer's instructions to secure the lowest transportation rates, to meet the carrier's requirements and to insure that no carnage shall result from weather and transportation. The cost thereof shall be included in the price of the Articles.

5. **PAYMENT TERMS:** Unless otherwise agreed to, Products will be paid for within ninety (90) days of shipment to Buyer.

6. **TAXES:** Buyer shall not be liable for any tax unless the amount of such tax is separately stated in the invoice. Seller shall not add any taxes to the price of Products which Buyer is entitled to purchase on an exempt basis, provided that Buyer provides Seller with such exemption certificates or similar documents as required by law to effect exempt purchases. Seller will provide Buyer with such documentation as Buyer requires to claim tax credits, refunds, rebates or similar relief for taxes charged to Buyer.

7. **DELIVERY:** Unless otherwise stated, all deliveries and prices are FOB Buyer's facility. Seller, unless otherwise directed, is required to follow the transportation

routings specified on the order. Failure to do so may subject Seller to debit for any excess freight charges. Title to the Products and risk of loss pass to Buyer upon receipt. Unless authorized in writing to the contrary by Buyer, Seller shall not manufacture, produce or deliver the Articles in advance of the schedule or otherwise anticipate Buyer's requirements.

8. **FAILURE TO DELIVER:** If a delivery date specified in an Order cannot be met, Seller will advise Buyer within three (3) business days of receipt of such Order and, at Buyer's option (i) a new delivery date will be agreed upon or (ii) Buyer may cancel all or any part of an Order without any penalty or liability. If Seller fails to deliver at the time specified or otherwise breaches this Agreement, Buyer, in addition to any other remedies it may have under this contract or at law, may cancel all or part of an Order with respect to Products not delivered, and without liability for costs relating to the cancelled portion of an Order. In no event shall Buyer be liable for lost profits.
9. **CHANGES/TERMINATION OF ORDERS:** Buyer may change an Order. Any claim by Seller to an adjustment in the purchase price or delivery date(s) due to such change must be asserted by Seller in writing to Buyer within ten (10) days after Seller's receipt of Buyer's change Order; otherwise Seller waives his right to such an adjustment. After receipt of Seller's claim for an adjustment, Buyer may cancel all or part of an Order, without liability to Seller.

If Buyer cancels all or part of an Order for Products that have already been shipped to Buyer, Seller shall be entitled to a restocking fee of ten percent (10%) of the actual cost of Products for that portion of the Order that has been cancelled and Buyer shall cover the cost of freight. The restocking fee and freight coverage shall be Seller's sole remedy for cancellation of shipped Products.

Buyer may terminate an order for any of the following reasons:

- a. If Seller refused or fails to make deliveries or perform the services within the time specified or extension thereof.
 - b. If Seller fails to comply with other provisions of this order, or so fails to make progress as to endanger performance of this order in accordance with its terms, and does not cure any such failure within a period of ten (10) days for such longer period as Buyer may authorize by written notice after receipt of notice from Buyer specifying such failure.
 - c. If Seller becomes insolvent, or makes a general assignment for the benefit of creditors, or pursues any remedy under any law relating to relief for debtors, or in the event a receiver is appointed for Seller's property, and to the extent Buyer may lawfully exercise such right of termination. In addition to all remedies available to Buyer under applicable law, Buyer may in the event of such termination purchase or manufacture supplies and/or require Seller to transfer title and deliver to Buyer any and all property produced or procured by Seller under this order, and Seller shall be liable to Buyer for any excess cost to Buyer.

Buyer and its customers may inspect the Products at Seller's plant on request. Seller agrees to repair units that are out of the warranty period for actual cost of repairs not to exceed fifty percent (50%) of current suggested list price.
